August Books and Beyond Title

Book Overview

Finn is in a bad mood, so his grandfather takes him on a walk in the forest, and tells him about all the things that are beneath the surface of plants and animals--and even people.

Discussion Questions

- Finn is in a horrible mood. Have you ever been in a bad mood? Why were you in a bad mood?
- Why do you think Finn's grandfather took him on the walk and showed him everything that he did?
- Finn carried his blanket with him throughout the story. Do you have a favorite blanket or toy that brings you comfort when you are feeling bad?
- Compare how Finn looks with this blanket on the cover and at the beginning of the story until the end. How does he look different with the blanket at the end of the story?
